ABSTRACT

This document is the third of a three-volume set made up of bibliographic citations to published texts, unpublished manuscripts, photographs, sound recordings, motion pictures, and maps concerning Native American tribal groups that inhabit, or have traditionally inhabited, northern and central California. This volume comprises the general bibliography, which contains over 3,600 entries encompassing all materials in the tribal bibliographies which make up the first two volumes, materials not specific to any one tribal group, and supplemental materials concerning southern California native peoples.
